

**Brackett's Landing Foundation, Hydro-geologist**

**Bid Close Date: January 28, 2013**

**Contact: Duane Uusitalo, 425-337-1508, [chumfun@mindspring.com](mailto:chumfun@mindspring.com)**

**11614 42nd Drive SE, Everett, WA 98208**

JOB OPENING: Brackett's Landing Foundation is offering a position for an experienced hydro-geologist in helping verify the final cleanup stages of the contaminated Unocal/Chevron bulk fuel site at Point Edwards, Edmonds, WA. The person will act as a science interpreter for the group, Edmonds Citizens' Awareness Committee, part of Brackett's Landing Foundation. ECAC serves as a public watchdog entity for the overall cleanup. The position is part time and possibly concludes June 30th, 2013.
